RESPONSE TO REQUIREMENT FOR RESTRICTION

In response to a restriction requirement set forth in an office action mailed 09/27/2005, a provisional election with traverse is made by Applicant.

Reconsideration is respectfully requested.

According to MPEP § 803, "if the search and examination of an entire application can be made without serious burden, the examiner must examine it on the merits, even though it includes claims to independent or distinct inventions." (emphasis added) In the present case, the claims in each of the groups identified by the Examiner, clearly comprise similar elements.

It is respectfully requested that the restriction requirement be withdrawn and that each of the claims presently pending in this application be examined.

If the Examiner is not persuaded and persists with the restriction requirement Applicant provisionally elects Group I (Claims 1-16).

If there are any fees incurred by this response, please deduct them from our Deposit Account NO. 50-1887.

Date: October 4, 2005

Respectfully submitted,
